Eyes: Very large, well set with good width

Muzzle: Small with large nostrils

Head: Very typey, excellent dish, large cheeks

Neck: Very long and well set

Shoulder: Good angulation

Topline: Excellent at the moment, deep heart girth, good body

Croup: Level at the moment

Hip to Buttock: Good length

Front Legs: Long, well muscled forearms, short cannons, slightly tied in below the knees

Hind Legs: Long, well muscled gaskins, large, correctly angled hocks

Pasterns: Could be very slightly shorter with less angulation
