AN EVALUATION OF BINT SUSERI

1996 Grey Mare
Ali Zaar x Suseri

Ears: Average size, well set

Eyes: Very large, well set with good width

Muzzle: Small with large nostrils

Head: Very typey, good dish, large cheeks

Neck: Long and well set

Shoulder: Fairly good angulation, could be slightly more sloping

Topline: Good for her age, deep heart girth, good body

Croup: Level

Hip to Buttock: Good length

Front Legs: Long, well muscled forearms, short cannons, excellent bone

Hind Legs: Long, well muscled gaskins, large, correctly angled hocks

Pasterns: Correct length and angles

Tail: Well set and very well carried

Feet: Good

Movement: Excellent free movement and presence

Overall: In my opinion this is a very typey, quality, well conformed mare with a great pedigree. She has had four foals, the last in 2010, but is not in foal for 2012 and is a great mother. She has a lovely temperament.
